

Dear Parents,

Do you want to contribute to your child's education in a quick and fun way?

Do you enjoy the benefits of saving while shopping locally and giving back to merchants in our community?

For only \$35, you can purchase a LFF/Rotary Gift-check Book worth over \$500 in local savings that benefits you, the schools, and our local merchants!

Through the Learning Fund Foundation (LFF), the Science Initiative aims to provide much needed science equipment and access to the latest technology for students and teachers at Sprague, Half Day, and Daniel Wright. For example, contributions through the Learning Fund Foundation have already helped to fund the Smartboards and iPads used at all three schools today!

Thank you for supporting the D103 Learning Fund Foundation!

Please print this page and return this form along with \$35 cash or check (payable to **Lincolnshire Rotary**) to the school office at Sprague, Half Day, or Daniel Wright.
